Career Objectives

To become a doctor (internal medicine or dentist)

Education History

Feb. 2016 - June 2017

Michigan Islamic Academy
11th grade
Ann Arbor, Michigan

» Dual enrollment program with WCC for math and English and took MIA classes as well

Sept. 2016 - Apr. 2017

Eastern Michigan University and Michigan Islamic Academy (MIA)
12th grade
Ypsilanti, Michigan

» For the first semester of my senior year I took intro to Biology part 1, the lab that goes along with it, Calculus I, and a English literature course (along with my classes at MIA which include Quran, Islamic Studies, and Senior Project). During the second semester of my senior year I took intro to Biology part 2, as well as the lab that goes along with it, medical ethics, sociology, and a medical terminology course (along with my courses at MIA listed previously).

Aug. 2013 - Feb. 2016

International Academy
9-11th
Bloomfield Hills, Michigan

» Studied all classes at IB/MYP level

Work Experience

Sept. 2015 - Dec. 2015

Huda Saturday School

Assistant teacher

Franklin, Michigan

» I helped out as an assistant teacher in the 6th grade for a Islamic school on Saturday for 5 hours every weekend. I would help teach, assist students when they need help, and helped get classroom materials ready.

Volunteer Experience

Sept. 2015 - Dec. 2015

Huda Saturday School

Assistant teacher

Franklin, Michigan

» I helped out as an assistant teacher in the 6th grade for a Islamic school on Saturday for 5 hours every weekend. I would help teach, assist students when they need help, and helped get classroom materials ready.
